WHAT IS VPAN?

VPAN Overview: The Veteran Peer Access Network (VPAN) is a Los Angeles County Military and Veterans Affairs program designed to connect veterans and their families with the services available to them. Program goals are to reduce homelessness, suicide, under-employment, and dramatically increase ease of access to resources and services for the veteran and MilVet communities.

Who Can Use VPAN?
VPAN's services and resources are available to all veterans and MilVet members of every age countywide.
- No specific criteria for time-in-service, service era or discharge status
- Regardless of VA disability rating
- No specific or exclusionary criteria for level of need/care
- No income level requirements

VPAN Services: VPAN is staffed by veterans and military family members who provide peer support and linkage to services to their fellow veterans and their family members. Callers are connected with housing, health care, financial, legal and employment advice & assistance resources, and clinical professionals are also available to assist those struggling with substance abuse and mental health issues.

DID YOU KNOW?

Who does VPAN serve?
VPAN serves all Veterans and MilFam, regardless of time-in-service, discharge status or disability rating.

What is a MilFam?
MilFam refers to those family members connected to veterans, as well as those still serving in the military (Active Duty/Guard/Reserves).

➤➤ Department of Military and Veteran Affairs VPAN Rally Points

A VPAN rally point is a walk-in site where any veteran or family member can receive support or connection to services and benefits. They are also locations where events and trainings will take place for the veteran community.
